

DIRECTIONS TO LOT 1 GREENBANKS

Driving from Adelaide take the first Murray Bridge exit off the Freeway, drive on through the town's main business centre and cross the old road bridge. Travel on 3kms and turn left at the Karoonda / Mannum road sign and follow the signs to Greenbanks. About 7kms along, go past the Karoonda turnoff and continue straight on towards Mannum for a further 1km then turn left at the sign saying Willowbanks, Sunnyside etc.

Travel another 1km then turn right into Sunnyside Drive. This road leads to a sharp hairpin bend as it descends steeply down towards river level.

Just before the bottom road which veers left and right past the rear of the holiday home is a dirt road that will take you to the back of the property. (Do not go all the way to the bottom road). Take this dirt road. (bottom road private road).

Please note Boat Ramp to be used at Avoca Dell or Sunnyside (as per attached map).
