On Arrival

The driveway is shared, please make sure access is clear at all times

The main water source for the house is river water. Drinking water is available from the left hand tap in the kitchen sink

There are wheelie bins provided on Khartoum Road to drop rubbish during your stay or as you left. These bins are 80 metres north of you on the opposite side of the road

No smoking in the house

No tents on the lawn

There is a public boat ramp at the southern end of Khartoum Road in the camping grounds

Do not use any other jetties than the one belonging to the shack.

As you leave:

Property needs to be left in the same condition as it was found

Leave the fridge on when you leave

Lights are to be turned off and property locked up before leaving
Chain across driveway is re-secured on departure

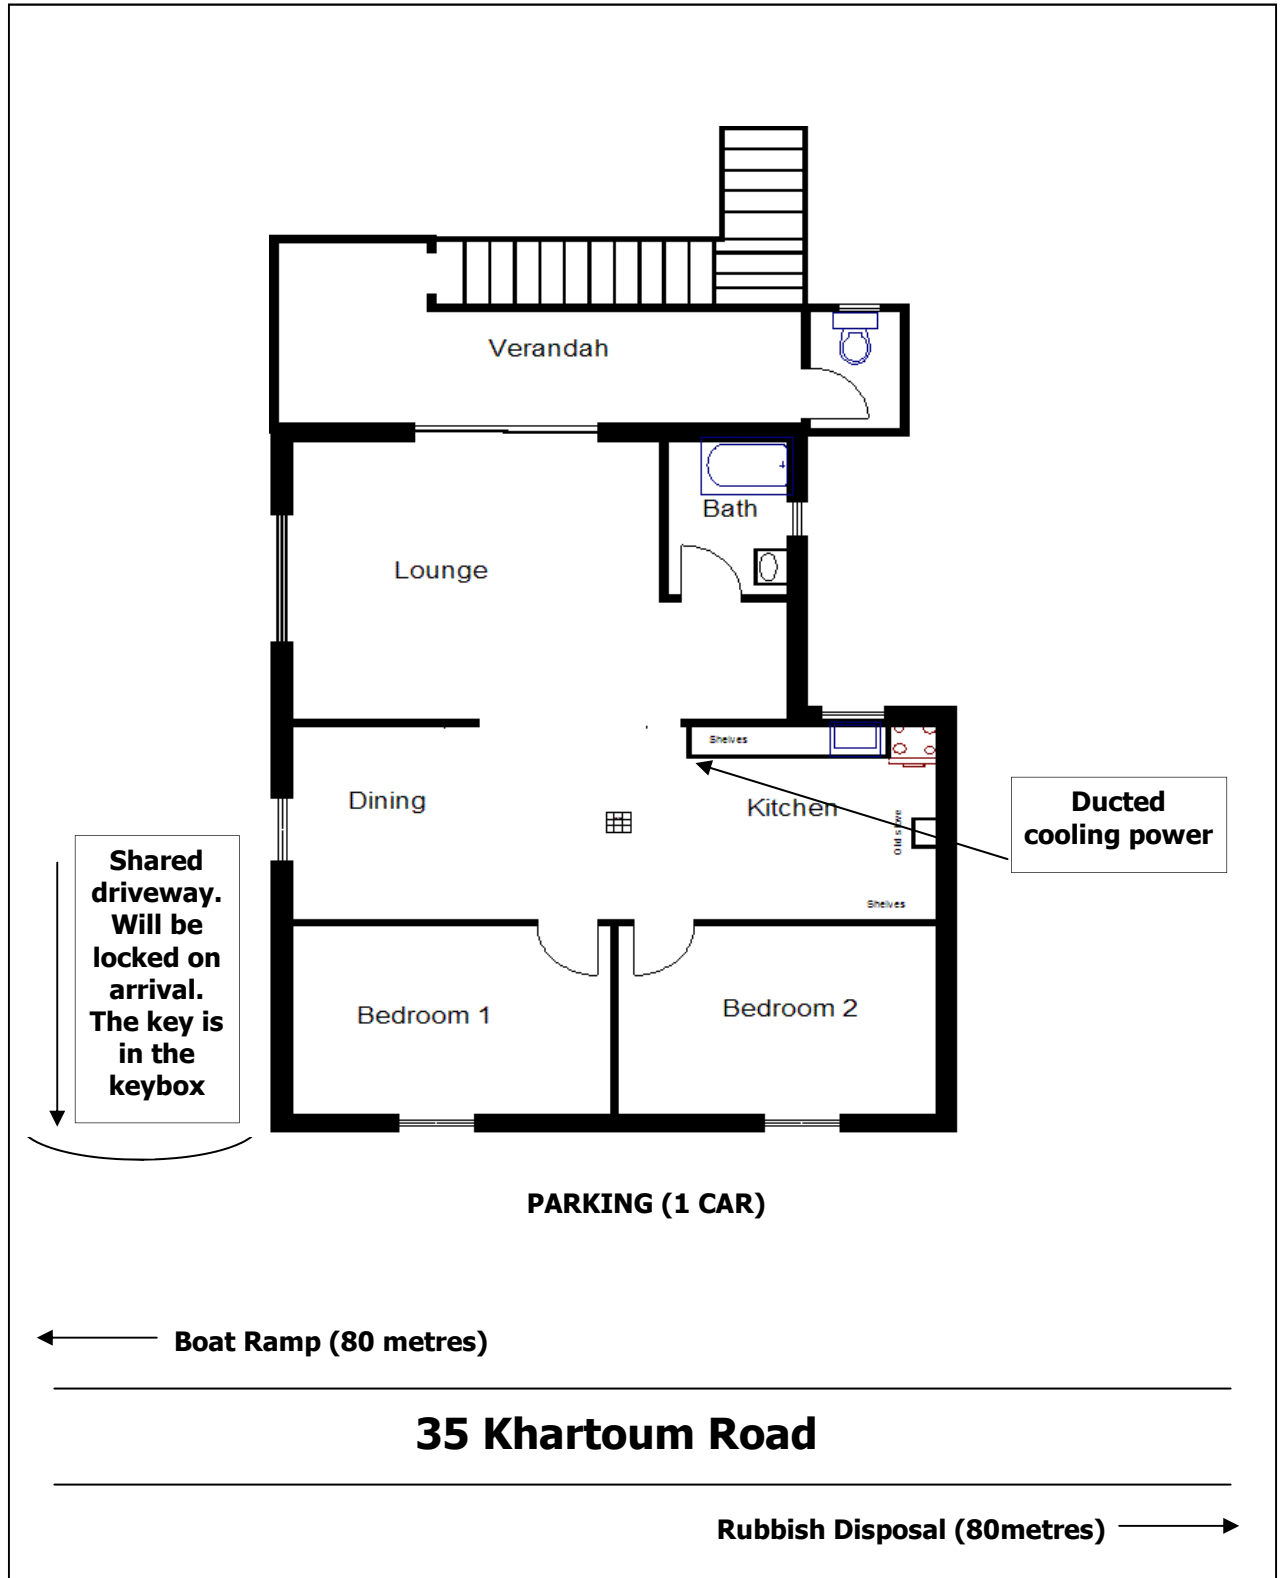

Problems

Should you have any maintenance issues or problems during your stay, please contact River Shack Rentals on 0447 263 549
