HOLIDAY HOME RENTAL AGREEMENT

This agreement protects both tenants and landlords in the event of any problems or discrepancies and must be signed and returned. We thank you for your co-operation.

1. GUESTS:

To ensure our properties are not "over worked" we have advised how many people each home accommodates. With this in mind and to prevent problems of discomfort to our tenants, we do not allow any more people in the premises than quoted. The landlord may immediately cancel the booking without refund if this condition is not adhered to. Tents, caravans or swags are NOT PERMITTED on the property. Tenants acknowledge that the property is for private holiday use and not for commercial purposes or the like.

2. BOOKINGS:

All bookings are accepted by the Agent in good faith but are subject to change or cancellation by the landlord prior to the commencement of the booking. If cancellations occur as a result of actions by the landlord of the property, the Agent will make reasonable attempts to secure alternative accommodation. If no alternative can be secured, all monies paid by the tenant shall be refunded.

3. DEPOSIT BOND:

To confirm your booking we require a deposit bond. We ask that you forward this within 2 working days of receipt of your booking letter to secure your booking. Unfortunately the booking will be automatically cancelled if the Deposit Bond is not received within this time frame. Receipt will be forwarded to you to confirm the booking. Please contact us if receipt is not received. Following your departure the bond will be refunded once a satisfactory inspection of the property has been completed. This will be processed within 14 days of departure.

4. ACCOMMODATION COST:

The accommodation cost is payable 30 days prior to your arrival. Please note that if this payment is not received, the landlords are able to cancel the booking and implement the conditions outlined below under "Cancellations".
